

# USDOT Small Business Investing in America

**By USDOT SBTRC**

Are you a small business contractor in the transportation sector? Are you looking to become a subcontractor or prime contractor for infrastructure projects? This is your opportunity to be prepared for the upcoming projects under the Invest in America initiative.

Register now to attend the 2024 Investing in America: Empowering Infrastructure Growth for Small Business Contractors workshop, sponsored by the United States Department of Transportation (USDOT) Small Business Transportation Resource Center (SBTRC). The event will take place on Thursday, August 15, 2024, from 9:30 am to 1:30 pm, at the Bulova Conference Center in Elmhurst, Queens, New York.

You may register for this free in-person event at <https://www.eventbrite.com/e/investing-in-america-empowering-infrastructure-growth-for-small-businesses-tickets-955841817607>

This is a half-day workshop that you don't want to miss! It culminates the USDOT SBTRC

summer webinar series co-hosted with the United States Small Business Administration (SBA), offering a unique opportunity to engage directly with project stakeholders and resource providers.

Learn about ongoing and upcoming Investing in America projects in the New York or Northeast region. Engage in presentations from SBA and USDOT SBTRC on available resources and tools. Participate in a clinic session for feedback on Capability Statements. Maximize your networking opportunities with prime contractors and agencies, including Skanska and MTA. Consider marketing to government opportunities and qualifications. Connect with key resource agencies to navigate procurement and government processes.

Benefits for attendees include understanding the Investing in America initiative and Bipartisan Infrastructure Law (BIL) opportunities. You can also learn how to prepare for and identify infrastructure projects, and discover subcontracting opportunities in the Northeast region. On workshop day, you can interact with prime contractors and agencies.

The workshop is organized with the major participation of the Small Business Transportation

Resource Center (SBTRC) at LaGuardia Community College, whose goal is to increase the number of small businesses that are prepared to compete for and enter into, transportation-related prime and sub-contracts, at the local, state, and federal levels

**NJ TRANSIT-Delco Lead, County Yard Improvements, Storage and Inspection Facility GC.02 Superstorm Sandy Recovery Program Project**  
 NJ TRANSIT IFB No. 0000004  
 Bid Date: August 8, 2024

**Brief description of work:**  
 The Delco Lead and County Yard Expansion is a multifaceted project that would address the operations, storage, and resiliency needs along the NEC and provide a safe haven for cars in the event of a major storm or flooding event. The project is the reconstruction of the existing Delco Lead track and the construction of adjacent track from County Yard to North Brunswick for the storage of NJ TRANSIT trains in the event of severe weather.

The project consists of 3.20 miles of rail and catenary construction in an area adjacent to the Northeast Corridor called the Delco Lead ("Delco") and another 1.27 miles containing a new electrified rail yard with five 2,200-foot-long storage and inspection tracks along with a 1,250-foot-long Service and Inspection facility building called County Yard ("Yard").

**Invitation to Bid for DBE Participation 12%**

**ALL QUOTATIONS ARE DUE BY CLOSE OF BUSINESS Thursday, July 25, 2024.**

**AirTrain Newark Replacement Program—Guideway and Stations Project in the City of Newark, New Jersey**  
 PANYNJ RFP No. 6000001763  
 Bid Date: August 9, 2024

**Brief description of work:**  
 The New AirTrain will replace the existing AirTrain, which opened in 1996, has outlived its useful life, and does not currently provide customers with the modern customer service amenities and service reliability expected of a world-class automated people mover (APM) system. The New AirTrain will include three new stations, and connect to the new modern Terminal A, the future Terminal Two (currently Terminal B), the Airport's new ConRAC facility, and the Northeast Corridor Rail Link Station, linking AirTrain customers to regional rail and light rail networks, and thereby encouraging customers and Airport employees to use public transit to and from the Airport. The New AirTrain will be designed to maximize customer convenience with seamless connections to other forms of transportation and provide modern amenities in AirTrain stations and in vehicles (e.g., high-speed Wi-Fi, count-down clocks, and real-time flight information) to enhance the customer's end-to-end journey.

**Invitation to Bid for M/W/SDVOB/LBE Firms: MBE 20%, WBE 10%, SDVOB 3%, and LBE 10%**

**ALL QUOTATIONS ARE DUE BY CLOSE OF BUSINESS Friday, August 2, 2024.**
